

High precision balance

Strong anti - magnetic and anti-vibration ability

- ✓ Rechargeable
- ✓ High accuracy
- ✓ Stainless steel
- ✓ Accurate sensing of 0-3kg object weighing

6 key Updates

Accurate sensing of 0-3kg object weighing
Universal indoor and outdoor

High accuracy

LCD HD display

Round weighing pan

Rechargeable

Anti-corrosion

stainless steel

APPLICATION OCCASION

XY series precision electronic balance is a kind of intellectual measuring instrument with

PARAMETERS

Model	XY3000-2C
Power Supply	100-220V
Usage	Gold,Jewery,Lab etc.
Working Temperature	0°~40°C
Maximum Consumed Power	5W
Accuracy	0.01g
Comparative Humidity	50% ~85%
Calibration Way	External Calibration
